**APPROVAL FROM CONSOB OF THE PROSPECTUS
RELATED TO THE SHARE CAPITAL INCREASE
WITH RIGHTS ISSUE**

DEFINITION OF THE RIGHTS ISSUE TIMETABLE

Arco (TN), November 13, 2024 – Aquafil S.p.A. (“**Aquafil**”, the “**Issuer**” or the “**Company**”) announces the following.

Approval of the Prospectus by CONSOB

Today, CONSOB authorised, by note prot. no. 0104487/24, the publication of the Prospectus relating to the offer (the “**Offer**”) and admission to trading on the regulated market Euronext Milan organised and managed by Borsa Italiana S.p.A. (“**Borsa Italiana**”), STAR Segment, of the ordinary shares of Aquafil (the “**New Ordinary Shares**”) deriving from the rights issue, for consideration and on a divisible basis, for a maximum amount of Euro 40 million, inclusive of any share premium, to be carried out through the issue of New Ordinary Shares and new class B shares and resolved by the Extraordinary Shareholders' Meeting held on October 10, 2024 (the “**Capital Increase**”). The Prospectus will be filed at CONSOB and published in accordance with applicable laws and regulations.

It should be noted that the new class B shares are offered for subscription exclusively to the shareholder Aquafil Holding S.p.A., the sole holder of the class B shares outstanding as at the date of publication of the Prospectus.

It is expected that the Board of Directors of the Company will meet on November 14, 2024, after market closes, to fix the final terms and conditions of the Capital Increase, including the price at which the New Ordinary Shares and new class B shares will be offered, which will be promptly communicated to the market.

Timing of the Rights Offering

The calendar relating to the rights offering to the Issuer's shareholders of the New Ordinary Shares pursuant to Article 2441(1) of the Italian Civil Code (the “**Rights Offering**”) has been established. According to this calendar, it is envisaged that the option rights valid for the subscription of the New Ordinary Shares and new class B shares (the “**Option Rights**”) will be exercisable, under penalty of forfeiture, from November 18, 2024 to December 5, 2024, extremes included, (the “**Option Period**”) and the Option Rights related to the New Ordinary Shares will be tradable on Euronext Milan, from November 18, 2024 to November 29, 2024, extremes included.

The Option Rights not exercised by the end of the Option Period will be offered on the Stock Exchange by the Issuer within the month following the end of the Option Period, for at least two trading days, unless the Option Rights have already been fully sold, pursuant to Article 2441(3) of the Italian Civil Code, (the “**Stock Exchange Offer**”). The starting and closing dates of the Market Offer will be communicated to the public by means of a specific press release.

Underwriting Commitments

As already disclosed to the market, it is recalled that, on October 9, 2024, the shareholder Aquafin Holding S.p.A. made an irrevocable and unconditional commitment to subscribe to its relative share of the Capital Increase (equal to approximately 51.78% of the capital increase relating to the New Ordinary Shares and 100% of the capital increase relating to the new class B shares), for a countervalue of approximately Euro 24 million. The Underwriting Commitment of Aquafin Holding is not guaranteed.

Further information relating to the terms and conditions of the Offer will be disclosed in a subsequent press release which will be made available to the public on the Issuer's website (www.aquafil.com) and in any other manner required by applicable laws and regulations.

Aquafil is a pioneer in the circular economy also thanks to the ECONYL® regeneration system, an innovative and sustainable process able to create new products from waste and give life to an endless cycle. The nylon waste is collected in locations all over the world and includes industrial waste but also products – such as fishing nets and rugs – that have reached the end of their useful life. Such waste is processed to obtain a raw material – caprolactam – with the same chemical and performance characteristics as those from fossil sources. The polymers produced from ECONYL® caprolactam are distributed to the Group's production plants, where they are transformed into yarn for rugs carpet flooring and for clothing.

Founded in 1965, Aquafil is one of the main producers of nylon in Italy and worldwide. The Group is present on three different continents, employing about 2,400 people at 19 production sites located in Italy, Slovenia, United States, China, Croatia, Chile, Thailand and Japan.
