

*In remembrance of His Majesty King Bhumibol Adulyadej.*

*With deepest sorrow and respect.*

*Thailand's beloved King has passed away.*

*His Majesty King Bhumibol Adulyadej passed away at Siriraj Hospital at 3.52pm on Thursday OCT 13, 2016. His Majesty was 88 and would have turned 89 on Dec 5 this year.*

*The ninth King of the Chakri Dynasty ascended to the throne on June 9, 1946 and was the world's longest-reigning monarch.*

*King Bhumibol was well known as the most hardworking King in the world. His 70 years of reigning came with 4,596 royal development projects for better living for his people.*

*Besides, the King was also called 'Father of Water Resource Management' because of his expertise on theory and projects about water management to relieve any natural water disasters.*
